Dear Mr. Groves:

We have reviewed your letter opinion dated May 20, 1975 addressed to Mr. Paul Hathaway, Santa Cruz County School District #28, relating to the organization of an eighth grade.

We have been advised that the eighth grade to be organized will be part of a junior high school composed of grades seven and eight. On that basis, we concur with your opinion.

Dear Mr. Hathaway:

QUESTION: What is the procedure for organizing
a new grade: i.e. an 8th grade?

ANSWER: Arizona Revised Statutes § 15-447
provides as follows:

The Board of Trustees may, with consent
of the County Superintendent, organize (1) Inter-
mediate schools composed of the 7th, 8th, and 9th
grades of schools under its jurisdiction. (2) In
Union High School districts intermediate schools
composed of the 7th and 8th grades of the schools
under its jurisdiction.

Therefore, if the Board is in agreement, all that need
be obtained is the approval of the County Superintendent.

A copy of this letter is being sent to the Attorney
General for concurrence.

Very truly yours,

Richard N. Groves, Deputy
Santa Cruz County Attorney
